CGPA: 7.40/10

Secondary (X)
Prerna HSS Rajpur School
(UP BOARD board)
Year of completion: 2020
CGPA: 8.40/10

PROJECTS

Airbnb Clone
Feb 2024 - Mar 2024
https://airbnbclonebysid.netlify.app/

This project is a web development project that aim to create a website that looks like the popular marketplace platform Airbnb. The project was created using HTML & CSS. HTML was used to create the structure and content of the web pages, such as the header, footer, navigation bar, etc. CSS was used to style and format the web pages, such as the colors, fonts etc. The website has a responsive and user-friendly design that adapts to different screen sizes and devices. This project helped me to practice and improve my skills in web design.

My Portfolio Website
Dec 2023 - Jan 2024
https://siddhisingh.netlify.app/

I've created my Portfolio Website using HTML, CSS, JavaScript and GSAP for the animations. Explore a showcase of my passion, dedication, and the projects that define my journey. 🌟 From coding adventures to creative design, it's all here.

Clone of a Awward winning Website

Jul 2023 - Aug 2023

https://siddhisingh25.github.io/Twogood_Clone/

I have created the clone using HTML, CSS, JavaScript and GSAP. I've basically recreated a part of awwward winning website.
From this project I actually learned alot about making websites look awesome and work smoothly. In this project you'll see cool animations.
